

## Managed Care and PDPM in Georgia

CMS is transitioning from RUGS to the Patient Driven Payment Model effective 10/1/19. The nursing home industry has been preparing themselves to be ready for the changes come October, have the Managed Care companies been doing the same?

Over the past months Guidance Care HMO has been questioning the MCOs in Georgia regarding this. We have put together a list of MCOs in Georgia that do plan to follow the new PDPM payment schedule when it goes live. PDPM will affect MDS assessments, reimbursement, claims, HIPPS codes, medical records, audits and more.

The following MCOs do plan to adopt PDPM. An IPA will be required on 10/1/19. For assessments and claims please follow PDPM guidelines. If an MCO you are familiar with is not listed here please reach out to GCHMO and we will provide additional details.

- Aetna
- Anthem
- Coventry
- Humana
- United Healthcare
- Wellcare- Wellcare will no longer require the authorized level of care to match the RUG. Wellcare is removing this policy effective 10/1/19.

The following MCOs are still undecided and we will keep you posted as additional information is available.

- Cigna Healthspring

The following MCOs are will not be following PDPM guidelines. Assessments and claims submissions should be handled as they were in the past according to RUG guidelines. We will keep you posted if there are any changes.

- Tricare-Humana Military East

For all your managed care contracting, case management, and collection needs please feel free to reach out any time, we look forward to hearing from you.
